

USGA RULES GOVERN ALL PLAY

REMINDERS & LOCAL ACKNOWLEDGEMENTS

Red stakes with green caps define environmentally protected areas. These areas may not be entered by a player at any time. Environmentally protected areas are played as water hazards, as defined by Rule 26-1, although the player has no option to play the ball from the hazard. Where provided, player options also include utilizing ball drop areas on holes requiring forced carry.

Golf course irrigates with non-potable water — do not drink.
